Allos Therapeutics, Inc. proudly sponsors the Allos Support for Assisting Patients (ASAP) program, a reimbursement support and patient assistance program designed to help patients and healthcare professionals gain appropriate access to FOLOTYN<sup>®</sup> (pralatrexate injection). The ASAP program provides the following services:

- Verification of Patient-Specific Insurance Benefits
- Pre-Submission Claims Review and Support
- Prior Authorization Assistance
- Coding and Billing Guidance
- Payer Research
- Denied and Underpaid Claims Assistance
- Patient Assistance Program for Qualified Patients

Allos Therapeutics, Inc. does not guarantee coverage and/or reimbursement for FOLOTYN. Coverage, coding, and reimbursement policies vary significantly by payer, patient, and setting of care. Actual coverage and reimbursement decisions are made by individual payers following the receipt of claims. Allos strongly recommends verifying coverage, coding, and reimbursement guidelines on a payer and patient-specific basis.
