Amgen Assist

Amgen Assist™ gives patients and healthcare providers a single destination for access to eService and online forms, and makes it easier to find a program that would best meet each patient's unique needs, including:

Coverage and reimbursement services that help guide healthcare providers through insurance verifications, prior authorizations, and claim inquiries.

Co-pay support information about ways to help pay co-pays either through Amgen-supported programs or independent nonprofit co-pay foundations.

Assistance for uninsured patients who may be eligible products at no cost through The Safety Net Foundation and the ENcourage Foundation®.
