Gregg C. Shepard, MD, Hematologist/Oncologist  
*Tennessee Oncology, PLLC*  
Hear from Tennessee Oncology about their four key OCM initiatives, including: phone triage, palliative care, pathways, and oral oncolytic adherence and management.
- 11:30 AM – 12:30 PM**      **Networking Lunch**
- 12:30 – 1:15 PM**      **CMMI Update/Q&A**  
Katie Cox, Patient Care Models Group  
*Center for Medicare & Medicaid Innovation (CMMI)*  
Hear an update from CMMI and use this time to get your pressing OCM implementation questions answered.
- 1:15 – 2:00 PM**      **Operationalizing Your Feedback Report**  
Thomas A. Gallo, MS, Executive Director  
*Virginia Cancer Institute*  
You have the data, now what? Learn how one practice is working through their feedback report to understand – and operationalize – their data and how they're making claims data work for them.
- 2:00 – 3:00 PM**      **Analyzing Your Claims Data: Early Glimpses at Earning a Performance-Based-Payment (PBP)**  
Ron Barkley, MS, JD, *CCBD Group*
- Clearview Cancer Institute  
Michelle Brown, MSN, CRNP, COO  
Anne Marie Rainey, MSN, RN, CHC, Compliance & Quality Control Officer
- Oklahoma Cancer Specialists  
Michael W. Yates, CFO
- Hear from two OCM practices that have used their Q1-Q3 historical claims data to get an early glimpse at their chances of earning a Performance-Based Payment (PBP) under the OCM.
- 3:00 – 3:15 PM**      **Afternoon Break**

## Oncology Care Model Collaborative

**3:15 – 4:30 PM**

**Afternoon Workgroup: Successes and Challenges with Your EMR**

Joseph Kim, MD, MPH, MBA, President

*Xaf Solutions*

Participants will break out into EMR-specific work groups to discuss data workflow and whiteboard actionable “wish list” items to bring to EMR vendors. ACCC will use findings from this session to advocate with CMS and vendors on your behalf.

**4:30 – 5:00 PM**

**Workshop Conclusion and Next Steps**

Discuss biggest takeaways from the day and develop a plan for operationalizing workshop learnings at your practice.
