

Northeastern University

Bouvé College of Health Sciences
School of Pharmacy

Northeastern University and Association of Community Cancer Centers (ACCC) Joint Sponsorship Statement:

This ACPE activity is jointly sponsored by Northeastern University Bouvé College of Health Sciences School of Pharmacy and Association of Community Cancer Centers (ACCC).

Accreditation and Designation Statement

This activity has been planned and implemented in accordance with the standards of the Accreditation Council for Pharmacy Education through the joint sponsorship of Northeastern University and Association of Community Cancer Centers (ACCC).

Northeastern University is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Northeastern University designates this educational activity for 4 contact hours (0.4 CEUs). Pharmacists should only claim credit commensurate with the extent of their participation in the activity.

Northeastern University and Association of Community Cancer Centers (ACCC) fully comply with the legal requirements of the Americans with Disabilities Act (ADA) and the rules and regulations thereof. If you need assistance, please contact Sharon Atterbury at (301) 984-9496 x218 or email at satterbury@accc-cancer.org.

Learning Objectives

Upon participating in the September 2010 Oncology Pharmacy Education Network Conference attendees **should** be able to:

1. Discuss the growing trend by hospitals and physician practices to participate in white bagging and identify the hidden expenses and requirements.
2. List strategies to mitigate medication errors and ensure that adverse events related to oncology and supportive care drugs are captured and tracked.
3. Explain the pharmacy role in genetic testing and oncology biomarkers.
4. Identify ways that the pharmacy can best help the cancer team and cancer patients understand the promise and limitations of using genetic testing.
5. Appraise key findings from the recent ASCO/HOPA meetings and their potential effects on clinical practice.

Disclosure Statement

In accordance with the Accreditation Council for Pharmacy Education (ACPE) Standards for Continuing Pharmacy Education 2009, Northeastern University School of Pharmacy requires that faculty members disclose any relationship (e.g., shareholder, recipient of research grant,

consultant or member of an advisory committee) that the faculty may have with commercial companies whose products or services may be mentioned in their presentations. Such disclosure will be made available on the day of the program.

Faculty of this ACPE activity may include discussions of products or devices that are not currently labeled for use by the FDA. The faculty have been informed of their responsibility to disclose to the audience if they will be discussing off-label or investigational uses (any uses not approved by the FDA) of products or devices.

Northeastern University and Association of Community Cancer Centers (ACCC) and the faculty do not endorse the use of any product outside of the FDA labeled indications. Pharmacy professionals should not utilize the procedures, products, or diagnosis techniques discussed during this activity without evaluation of their patient for contraindications or dangers of use.

Requirements for Credit:

Statements of Credit will be issued to participants electronically by logging onto the website: <http://www.rxce.neu.edu>, inserting the activity specific code number and successfully completing (a score of 100%) the activity assessment/evaluation form. Participant names will be checked against program attendance sheets for verification of attendance.

Please make every effort to arrive on time. No credit will be given to those participants who arrive more than fifteen minutes after the start of the first program.

Accreditation Statement:

Northeastern University Bouvé College of Health Sciences School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Pharmacists participating in all 4 accredited programs will receive 4 contact hours (0.4 CEUs) of continuing education credits.
