Dear Ms. Cali:

On behalf of the American Society of Hematology, we want to thank the Texas Society of Medical Oncology (TSMO) for partnering with ASH to present the Highlights of ASH in San Antonio. We greatly appreciate the time and effort expended by you and TSMO leadership in support of this meeting. Overall, the verbal feedback from the attendees has been very positive and we are pleased to report that there were 97 paid registrants for the meeting.

Again, thanks for your help. The success of the Highlights of ASH in San Antonio could not have been possible without the support and dedication of the TSMO members. We look forward to working with you again in the future.

Sincerely,

Hal E. Broxmeyer, PhD
