AstraZeneca Access 360<sup>™</sup> provides patient access, reimbursement support, and information about affordability programs for AstraZeneca's medicines. We help patients and providers with:

- Identifying and understanding prescription coverage, out-of-pocket costs, and pharmacy options
- Prior authorization support
- Pharmacy coordination
- Reimbursement process
- Claims, denial and appeal support
- Connecting to patient savings programs
- Referring patients to patient assistance programs
- Connecting to nurse assistance or educational support programs, if applicable (not for all medicines)
