## Flowchart of Standard Chemotherapy Education Process at Alta Bates Summit Medical Center

Chemotherapy Education with Pharmacist and OC Nurse

Is there a provider follow-up appointment in one week?

- Drug information
- Safe handling instructions
- Clinic contact information (who/when to call)
- +/- Calendar
- AVS

## YES

Clinic RN will assess adherence, toxicity, and monitoring parameters at next clinic visit. Clinic RN will notify OC nurse with changes via in-basket to Oral Med Pool.

## or

NO

OC nurse will do a telephone outreach encounter to assess adherence, toxicity, and monitoring parameters. OC nurse will ensure that a provider visit is scheduled in the future per MD discharge instructions.
