DISPLAY REGULATIONS

These rules have been developed to protect the rights of all companies and to consider the general appearance of the **Resource Center** and of the entire conference. This must take precedence over that of any individual company and require the cooperation of all companies in maintaining due respect for adjoining displays.

1. All companies, via their designated key industry contact, are responsible for informing their personnel and their authorized representatives of these rules and the "Conference Details" specific to each state society membership conference.
2. No company shall host or sponsor an event, inviting the attendees and state society members, during the duration of the entire conference program, without communicating their express plans and details to the state society at least **30 days in advance** of the conference.
3. Tabletop and custom freestanding displays will be allowed if they fit within the confines of the display area and are placed against the back of the table and are no more than two feet deep.
4. Nothing may be glued, pasted, tacked, nailed, screwed, or otherwise permanently attached to columns, walls, floors or other parts of the building or furniture. It is recommended that an easel be used for signage. Companies violating this regulation are expressly bound, at their expense, to repair any such damage that they may cause.
5. All demonstrations, discussions, or other activities such as distribution of descriptive literature of any kind must be confined to the display table.
6. All giveaway items must be distributed within the assigned display table. Items that cannot be stored in sufficient quantities within this space are not appropriate.
7. No company shall hold or sponsor any type of contest, raffle, or drawing for prizes either in the **Resource Center** or in connection with the conference without advance approval by the state society.

INSTALLATION AND DISMANTLING OF DISPLAYS

Specific details of each OSSN conference are noted in the "Conference Details" which are sent to the company key contact 7-10 days in advance of the conference date.

Set up of the assigned displays in the **Resource Center** are traditionally one hour prior to the start of the agenda. The dismantle of the displays may begin at the completion of the last break or meal, but not sooner than noted in the "Conference Details" for that specific conference. Failure to comply with the assignment of the display tables will require relocation once the assignments are completed.

DISPLAY SPACE CANCELLATION
