

2020 Virtual Symposium
Friday, November 13, 2020
10:00 AM - 5:00 PM EST
Agenda

10:00 AM

Welcome & Introductions

10:05 AM

Outcomes of the 2020 Election and the Impact on National Healthcare Policy

Christian G. Downs, JD, MHA

Executive Director

Association of Community Cancer Centers (ACCC)

The 2020 presidential election will be pivotal for healthcare, impacting treatment costs, access to coverage, and quality of care. Hear about the implications of these—and other—key issues on practices nationwide.

10:30 AM

Highlights from the ACCC 37th [Virtual] National Oncology Conference

Cary Presant, MD, FACP, FASCO

Clinical Professor, Department of Medical Oncology and Therapeutics Research

City of Hope National Medical Center

A 60-minute review of highlights and key takeaways from the ACCC 37th National Oncology Conference—the leading “how-to” conference for innovation in cancer care delivery.

11:30 AM

Telehealth Beyond COVID-19

Teri Bedard, RT(R)(T), CPC

Executive Director, Client & Corporate Relations

Revenue Cycle Coding Strategies, Inc

Explore the state of telehealth beyond the COVID-19 public health emergency; the future direction of Medicare and Health and Human Services; and forthcoming requirements of the Centers for Medicare & Medicaid Services final rules.

12:15 PM

Networking Break/Virtual Resource Center

12:45 PM

Evaluation and Management Code Changes for 2021

Allison M. Hirschorn

Senior Coding and Reimbursement Specialist, Clinical Affairs

American Society of Clinical Oncology

On January 1, 2021, big transformations to the office and outpatient evaluation and management (E&M) services (CPT® codes 99202-99215) will take place. Come away with essential information to help minimize disruptions to your oncology reimbursement and business operations, and prepare your team for a successful transition into the new year.

1:30 PM

Lunch Break/Virtual Resource Center

2:00 PM

Keynote Presentation: Managing Stress with Humor

Kay Frances, MBA, CSP

Motivational Humorist; Author, *"The Funny Thing About Stress"*

Feeling stressed? Worried about change? Sick of the phrases "new normal" and "unprecedented times?" In the ever-changing and stressful world of oncology, we need to be mindful of keeping perspective and choosing optimism whenever possible. In this energetic and hilarious presentation, Motivational Humorist and Author, Kay Frances, will share strategies for managing our stress before it manages us.

3:00 PM

Outstanding Fellows Research Presentations

Jithma P. Abeykoon, MD

Mayo Clinic

Ghulam Rehman Mohy-Ud-Din, MD

University of Kansas

Isaac Chambers, MD

University of Iowa

Hear highlights from several state society 2020 Outstanding Hematology/Oncology Fellow Recognitions. These recognitions present fellows with the unique opportunity to showcase their groundbreaking research on clinical and scientific topics to experts nationwide.

3:30 PM

Emerging Therapies for the Management of Castration – Sensitive Prostate Cancer

Pedro C. Barata, MD, MSc

Assistant Professor of Medicine; Genitourinary Medical Oncologist

Tulane University Medical School

Lisa Holle, PharmD, BCOP, FHOPA, FISOPP

Associate Clinical Professor

University of Connecticut

This accredited educational program will address challenges in optimal sequencing of cancer care delivery for patients with metastatic castration-sensitive prostate cancer (mCSPC), and provide an opportunity to discuss—with leading oncology experts—how new clinical updates can be translated into patient care strategies.

4:15 PM

Genetic Testing

Speaker and Details TBD

5:00 PM

Closing Remarks

Agenda as of 10.19.20 and subject to change.
