

Introducing
the

LIBTAYO 
SURROUND[®]
online portal

Healthcare providers can now help patients enroll in LIBTAYO Surround and complete important tasks online

LIBTAYO[®]
(cemiplimab-rwlc)

Injection 350 mg

Advantages of using the LIBTAYO Surround online portal

Electronic enrollment in LIBTAYO Surround

Healthcare providers can help patients enroll in LIBTAYO Surround online, reducing faxes and additional paperwork

All-in-one repository

Patient information is located in one central location to easily track the patient's treatment journey

Support resources

Healthcare providers can:

- Access LIBTAYO Surround resources, links, and forms directly from the portal
- Receive alerts and notifications related to the patient's treatment journey

Patient data protection

The password-protected portal is accessible to healthcare providers and permitted staff **only**

Registration is easy!

Visit LIBTAYOSurroundPortal.com
and click the Sign Up button
