

ONCOLOGY

## New name, same trusted support.

Greetings -

Takeda Oncology has changed the name of their patient support program from Takeda Oncology 1Point to **Takeda Oncology Here2Assist™** effective May 18, 2020. Takeda Oncology feels this new name better reflects the purpose of our patient support program, which is to assist patients with coverage support, financial assistance, and educational support services.

**Only the name is changing.** Patients and providers will continue to have the same high level of comprehensive, personalized support that they have come to count on from Takeda Oncology.

Please visit us at our new web address, [www.Here2Assist.com](http://www.Here2Assist.com), to learn more or call us at the same phone number at **1-844-817-6468**, Option 2.

I also want to take the opportunity to remind you of the support services offered by Takeda's patient support services program, Takeda Oncology Here2Assist™, which is a comprehensive program committed to helping patients taking Takeda Oncology medicines navigate coverage requirements, identify available financial assistance and connect with helpful resources throughout their treatment.

As part of Takeda Oncology Here2Assist™'s financial assistance offerings, there are two programs that may be able to help your patients with the cost of their treatment:

- For patients who are commercially insured and concerned about their out-of-pocket costs, the Takeda Oncology Co-Pay Assistance Program\* may be able to help
- For patients who are uninsured, or the prescribed medication is not covered, the Takeda Oncology Patient Assistance Program (PAP)† may be able to provide eligible patients with a monthly supply of medication at no cost to them.

In addition to the financial assistance programs, Takeda Oncology Here2Assist™ case managers can provide patients with information about additional resources that may assist with the day-to-day support they need, including:

- Assistance with treatment-related expenses (transportation support, legal services, etc.)
- Education about their treatment
- Connections to local and national advocacy groups
- Access to counseling or emotional support
- Information regarding open foundational support programs which may be able to assist with treatment costs

If you have any questions regarding Takeda Oncology products or services, please contact your local Takeda Oncology representative, or call 844-817-6468, Option 6. Thank you for your ongoing dedication to cancer patients and their treatment.
