*Community Oncology Alliance*

Speaker TBD  
*American Society of Clinical Oncology*

In this roundtable discussion, lobbyists from the Carolinas will be joined by leaders of the Community Oncology Association and American Society of Clinical Oncology to discuss how the election, policy updates, and new legislation will shape care delivery locally and nationally, and the changes/challenges practices can expect to encounter in 2021.

4:00 PM

**Keynote Presentation: If Not Now, When? Making the Most of Your Life, Your Relationships, and Your Work**

Ron Culberson, MSW, CSP, CPAE  
Speaker, Humorist, Author

When it comes to handling adversity, uncertainty, and the daily challenges of work and life, the best thing to focus on is the current moment. When we become more present, we can deal with the reality at hand rather than the chaos that our mind often creates.

In this humorous—and insightful—presentation Ron Culberson shares his secrets to managing work, life, and relationships; focusing on the present moment; connecting more effectively with others; and being more fulfilled in your work.

Agenda as of 02.03.21 and subject to change.
