

ABOUT NCOA

Founded in 1993, the North Carolina Oncology Association (NCOA) is a powerful community of multidisciplinary care providers involved in the treatment of patients with cancer.

NCOA is a state Chapter Member of the Association of Community Cancer Centers (ACCC) and a State Affiliate of the American Society of Clinical Oncology (ASCO).

Members receive valuable educational content and innovative resources designed to help them stay ahead of state and national challenges that directly impact the high-quality, affordable care their patients deserve.

OUR MISSION

NCOA strives to promote the highest professional standards of oncology in North Carolina through member-driven educational programs, peer-to-peer networking opportunities, and collaboration with local organizations and industry trailblazers.
