Meet Our Keynote!
Ron Culberson, MSW, CSP, CPAE, is a speaker, humorist, and author, whose mission is to change the workplace culture so that organizations are more productive and staff are more content. The 2012-2013 president of the National Speakers Association, Ron is a recognized expert on the benefits of humor and laughter.

On Friday, February 12 from 2:00 - 5:00 PM EST, the South Carolina Oncology Society and North Carolina Oncology Association will present key trends to prepare you for new legislative, clinical, and operational changes effective this year.

New this year, keynote speaker Ron Culberson, MSW, CSP, CPAE, shares his secrets to managing work, life, and relationships in his humorous—and insightful—presentation, If Not Now, When? Making the Most of Your Life, Your Relationships, and Your Work.

Complimentary registration: bit.ly/joint-conference21

Double your learning and join Neil Love, MD, on Saturday, February 13 from 8:30 AM - 4:30 PM EST at the Research To Practice Year in Review® to hear recent advances in chronic lymphocytic leukemia and lymphomas, multiple myeloma, and breast, gastrointestinal, genitourinary, gynecologic, and lung cancers. Click here for more information and registration.
