

ABOUT WSMOS

Founded in 1993, the Washington State Medical Oncology Society (WSMOS) is a powerful community of multidisciplinary care providers involved in treating patients with cancer.

WSMOS is a state Chapter Member of the Association of Cancer Care Centers (ACCC) and a State Affiliate of the American Society of Clinical Oncology (ASCO).

Members receive valuable educational content and innovative resources designed to help them stay ahead of state and national challenges that directly impact the high-quality, affordable care their patients deserve.

OUR MISSION

WSMOS strives to promote the highest professional standards of oncology in Washington through member-driven educational programs, peer-to-peer networking opportunities, and collaboration with local organizations and industry trailblazers.
