

Wisconsin Association of Hematology and Oncology Sixth Annual [Virtual] Review of the San Antonio Breast Cancer Symposium

Saturday, January 23, 2021
7:00 AM - 12:15 PM CST

Now in its sixth year, the WAHO Review of the 2020 SABCS delivers cutting-edge presentations from the world's most distinguished meeting in a new virtual format!

Discover a new era of breast cancer treatment as you review evolving strategies for treatment; evidence-based recommendations for genetic counseling/testing; and new approaches for incorporating surgical and radiation therapy into the patient's treatment plan.
