

Financial Advocacy Network Resources

FINANCIAL
ADVOCACY
NETWORK

Visit acc-cancer.org/FAN to access the tools and resources you need to expand or improve your cancer center's financial advocacy services.

START HERE: Financial Advocacy Guidelines

Determine how cancer centers should address financial hardship.

ASSESS: Financial Advocacy Assessment Tool

Identify your center's strengths and opportunities for improvement.

Starting a new program?

Improving an existing program?

ADVOCATE: Business Case Resources

Build organizational buy-in for financial advocacy services and make the case for dedicated staff and resources.

Demonstrate the value of financial advocacy services to garner more resources and prioritize improvement areas.

BUILD: Financial Advocacy Playbook and/or Toolkit

Utilize processes, checklists, onboarding guides, and other tools to launch your new program.

Implement standard roles and improve processes and tools to build capacity.

TRAIN: Financial Advocacy Bootcamp

Train new staff in financial advocacy fundamentals and engage in interactive learning to practice new skills.

Engage in continuous learning with real-world case studies and emerging topics in financial advocacy.

ACCESS: Digital Assistance Tools

Find assistance programs for patients using the digital **Patient Assistance & Reimbursement Guide**, and access peer-to-peer knowledge and solutions through the **ACCCeXchange**.

REASSESS YOUR PROGRAM EVERY 6-12 MONTHS
